

24.11.2010 BC strengthens the cooperation with the Slovenian partners

24.11.2010, SKOPJE – Promotion of the digitalization of the media, informing about the activities of making new Law for Audio-Visual media services, copyright protection and cooperation between Macedonia and Slovenia in the area of the media were in the focus of the discussion between the President of the Broadcasting Council (BC), Zoran Stefanoski and the Slovenian Ambassador, Alan Bergant.

Both sides agreed that the cooperation between the two countries in the field of media regulation is on a high level, but it still has room for additional improvement in the field of electronic media.

The BC with the Slovenian media regulation body, the Agency for Postal and Electronic Communications run a joint regional project for the digitization of the media within the European IPA Funds, Component 2.
