

Operators that acted upon orders on disconnection of the programme services Minimax, National Geographic and Fox Life

Skopje, 19 December 2014 – The Agency for Audio and Audiovisual Media Services conducted programme supervision of the Joint Stock Company for electronic communications Makedonski Telekom Skopje, the Broadcasting Company Cable Television ROBI SMLLC, the Company for telecommunication engineering, software, trade and services BLIZOO MEDIA AND BROADBAND SMLLC Skopje and DIGI PLUS MULTIMEDIA Company for telecommunications services SMLLC Skopje, in order to verify whether the above-stated operators continued the retransmission of the programme services Minimax, National Geographic and Fox Life.

It was concluded that these operators acted entirely on the issued orders on disconnection of the programme services Minimax, National Geographic and Fox Life.
