

Public debate on the Draft Programme for Ensuring Media Access for Persons with Disabilities

☒ **Skopje, 30.04.2015** – The Agency for Audio and Audiovisual Media Services is opening a public debate concerning the text of the Draft Programme for Ensuring Media Access for Persons with Disabilities.

This Programme is part of the activities envisaged to be realized by the Law on Audio and Audiovisual Media Services (Article 26) and the Strategy for the Development of Broadcasting Activity 2013-2017. The preparation of the same has involved experts engaged through the EC-financed IPA Project.

We are inviting you to take part in the public debate which will last until 15 June 2015, by sending your opinions and standpoints in writing.
