

Reports on ad hoc supervisions following SDSM's complaints

Skopje, 15.04.2016 – Based on six complaints submitted by the Social-Democratic Alliance of Macedonia, the Agency conducted several ad hoc supervisions over the programmes of the national televisions of Alfa TV, Kanal 5 TV, Nova TV and Sitel TV. The complaints concerned the observance of the principles under Article 61 of the Law on Audio and Audiovisual Media Services. The supervision found several instances of non-observance of the law. The Agency has notified the televisions about the findings. The details established by the supervision are given in the reports.
