

Agency Imposes Warning Measure against “VVV-INTERNET GRUP” Operator

Skopje, 20.10.2016 – While conducting regular supervision over the work of the “VVV-INTERNET GRUP D00EL uvoz-izvoz Kumanovo” operator, the Agency established violation of Article 141 of the Law on Audio and Audiovisual Media Services, due to which it issued a Warning Decision to discontinue retransmission of the programming services.

The “VVV-INTERNET GRUP D00EL uvoz-izvoz Kumanovo” operator has been enjoined to harmonize its operations with the Law on AVMS immediately after the receipt of this Decision.

The Decision can be downloaded at the following link:
