

Supervision Conducted over Four Broadcasters

Skopje, 21.12.2016 – The Agency for Audio and Audiovisual Media Services conducted regular programme and administrative supervision over the work of the Makedonsko Radio, Third Programming Service (MRA 3), and TV Nova D00 Gevgelija, as well as control administrative supervision over TV Kanal Festa D00EL Kumanovo and TV Hana D00EL Kumanovo.

The regular programme and administrative supervision over the Makedonsko Radio's Third Programming Service (MRA 3) did not detect any violations of the provisions of the law. With TV Nova D00 Gevgelija, however, it was established that this broadcaster operated contrary to Article 51, Paragraph 1, of the Law on Audio and Audiovisual Media Services, i.e. it had not provided the information required to be made available to its users.

The control programme supervision found that TV Kanal Festa D00EL Kumanovo and TV Hana D00EL Kumanovo had acted in full upon the decision previously submitted by the Agency for Audio and Audiovisual Media Services.

The supervision reports can be downloaded at the links below:
