

Analysis of the Measures Taken against the Broadcasters, Cable Operators and Print Media Publishers in 2017

Skopje, 2 April 2018 – The Agency for Audio and Audiovisual Media Services prepared an analysis of all measures taken against the broadcasters, operators of public electronic communication networks and print media publishers in 2017, as well as the most frequent violations committed on their part in the same year .

The analysis presents the measures that the regulatory body took up within its legal competences against the broadcasters, cable operators and print media publishers, and the violations they had committed against the Law on AAVMS and the regulations adopted thereof, the terms and obligations laid down in the licenses, and the Media Law. The analysis focuses in particular on the Agency's actions arising from its monitoring of the media coverage of the Local Elections held in 2017.

The analysis is available at [this link](#)
