

Control Administrative Supervision Conducted over ZAMAN Weekly

Skopje, 31 August 2018 – The Agency conducted control administrative supervision over the ZAMAN DOOEL Skopje Company for Manufacturing, Services and Trade, as the publisher of the ZAMAN weekly, to check if the latter had acted upon the previously imposed warning measure due to failure to publish circulation data regarding the ZAMAN issue No. 1155, 28 August – 1 September 2018.

The supervision showed that the ZAMAN weekly had acted upon the warning in full, i.e. had removed the violation against Article 14, Paragraph 1, of the Law on Media.

The relevant supervision report is available at the link given below:
