

Agency Publishes Overview of the Public Propaganda on the 2018 Referendum

Skopje, 5 October 2018 – the Agency for Audio and Audiovisual Media Services published today an Overview of the Public Propaganda on the 2018 Referendum .

The data used in the overview concerning the allocated air time were obtained from the analysis of the entire programmes of the broadcasters at the state level, which they aired in the period from 10 until 27 September.

The Overview may be downloaded from [this link](#).
