

Methodology for Monitoring Media Coverage during Electoral Processes Adopted

Skopje, 8 February 2019 – At its 7th session held yesterday, the Agency Council adopted the Methodology for Monitoring Electoral Media Coverage by the Radio and Television Programming Services during Electoral Processes, as stipulated by the Law on Amending and Supplementing the Electoral Code, of 5 February 2019 .

The Methodology incorporates all relevant provisions concerning the media coverage during elections and defines in detail the way in which the Agency will be conducting the monitoring.

The Methodology for Monitoring Media Coverage during Electoral Processes is available at [this link](#).
