

# **Control Supervision Conducted over 1 TV**

**Skopje, 26 February 2019** – The Agency conducted control programme supervision over the programme of 1 TV, to determine if the latter had acted upon the warning measure it had imposed against the latter for disrespecting the rules for protection of juvenile audience.

The supervision of the programme aired on 23 January 2019, detected repeated violation of the rules for protection of juvenile audience, as the promotional announcements of the feature programmes – the “Vikings” and “The Fall” series – had not been marked with the visual sign signaling the category of the programme announced.
