

Ad Hoc Supervision Conducted over 24 Vesti TV

Skopje, 12 March 2019 – Acting upon a complaint it had received, the Agency conducted an ad hoc programme supervision over the edition of the show “Ochi v ochi” (Eye to Eye), aired on 13 February 2019 by 24 Vesti TV. The supervision was conducted to verify the observance of the specific prohibitions against Article 48 of the LAAVMS, but it did not find any violation committed on the part of the show host.

The ad hoc supervision report is available at the following link:
