

# **Analysis of the Employee Structure in the Audio and Audiovisual Media Industry in 2019**

**Skopje, 28.09.2020** – The Agency for Audio and Audiovisual Media Services has been preparing analyses of the employee structure in the audio and audiovisual media industry for years in a row .

The analysis provides an overview about the structure of employees in the audio and audiovisual media sector in 2019, i.e. data about the total number of employees in the public broadcaster and the commercial TV and radio stations.

The data were analyzed in terms of the posts at which the employees were engaged, their status (regular or part-time employment), gender, education, as well as ethnic belonging.
