

Public Debate Opened on the Draft-Policy on Providing Access to Audiovisual Media Services for People with Sensory Impairments

Skopje, 5 October 2020 – The Agency for Audio and Audiovisual Media Services opened a public debate today on the text of the Draft-Policy on Providing Access to Audiovisual Media Services for People with Sensory Impairments.

This document outlines and points out the main paths of action of the regulatory body, while the specific activities will depend on the current needs of the target group, i.e. the vision and hearing impaired persons, but also other persons with disabilities, as well as on the possibilities of broadcasters and on-demand audiovisual service providers, and will be planned on an annual basis.

The Agency invites all interested and concerned parties to take part in the public hearing by submitting their opinions and proposals in writing electronically to contact@avmu.mk.

The public hearing will be open until 31 October 2020.
