

Analysis of the employees' structure by ethnicity in the audio and audiovisual media sector in 2014

Skopje, 07.10.2015 – The Agency for Audio and Audiovisual Media Services has prepared an Analysis of the Employees' Structure by Ethnicity in the Audio and Audiovisual Media Sector in 2014.

This Analysis presents data about the ethnicity of the employees in the television and radio industries in 2014 (Macedonian, Albanian, Turkish, Serbian, Roma, Vlach, Bosnian and other ethnicities) and their distribution by posts. The Analysis also contains data about the fluctuation of the number of employees of different ethnicities in the past four years.

The Analysis of the Employees' Structure by Ethnicity in the Audio and Audiovisual Media Sector in 2014 can be downloaded [here](#).
