

June 21, 2012 The BC is analyzing the Disturbing Advertising Spot on TV Kanal5

Skopje, June 21, 2012 – The Broadcasting Council (BC) is analyzing the advertising spot on TV Kanal5, aimed to promote the new series, which TV Kanal5 has been airing since yesterday (20 June) on its TV channel. This analysis will show, whether this advertising spot is in accordance with the Broadcasting Law.

Today, the members of the BC are going to hold a consultative meeting on this issue.

BC denies the information, according to which the license of TV Kanal5 had been revoked and urges the editorial staff of all media outlets to keep to the professional journalistic standards for non biased, correct and non-speculative reporting.
