

Summary of the 13th session

SKOPJE, 4 March 2014 – The Agency for Audio and Audiovisual Media Services (the Agency), at today's session adopted the Draft-Form: data on the ownership structure, editors and economic performance of the broadcaster (Form SUE / 1).

The Agency adopted the Draft – decision to revoke the broadcasting license to the trade broadcasting company TV ART KANAL Struga LLC and decided to revoke the broadcasting license to the aforementioned broadcaster, since the license holder ceased to broadcast programme services more than 30 days due to technical, financial or other reasons, that is, did not broadcast television programme at least 8 hours a day.

The Agency adopted the Report on programme supervision (monitoring) of the programme of TBC Sitel Television LLC Skopje, broadcasted on 28 February 2014. The previously stated broadcaster acted contrary to Article 77 paragraph 2 of the Election Code (consolidated version), whereby a violation of Article 183-a, paragraph 1, indent 2 and paragraph 2 of the Election Code was committed, that is, in the news, announcing the results of a public opinion survey related to the participants in the election process, did not state the data on the size and structure of the examined sample and the period for which the survey was conducted. Accordingly, the Agency decided to submit a request for initiation of misdemeanour proceedings before the competent court, that is before filing the request for misdemeanour proceedings to enforce a settlement procedure.

The Report of the programme supervision (monitoring) of the programme of TBC Sitel Television LLC Skopje , broadcasted on 28 February 2014 can be downloaded here.

The Agency adopted the Information on the preparation of the

necessary documents of the Form of the file for bids, regarding the candidacy of the City of Skopje and the National Arena "Philip II of Macedonia" to host the matches of the group stage of the European Football Cup UEFA EURO 2020 together with the answers.
