

Summary of the 38 th session

SKOPJE, 13.09.2012 – On today's session the members of the Broadcasting Council (BC) analyzed the gathered information on the work and registration of the Australian TV channels Best of Macedonia (BOM) and K-15 Music. Taking into consideration that two separate companies claim that they own these broadcasters – it was decided this topic to be postponed for the next session, scheduled for Tuesday, 18.09, with a beginning at 12:00 o'clock. By then BC will be collecting and analyzing additional data regarding these TV channels.

BC also adopted the Opinion about the Draft National Strategy for Development of the Culture for the period 2012 – 2017. In this document suggestions were given for alignment of this strategy with the Strategy for Development of the Broadcasting Sector of RM for the period 2013-2017.
